RETIRE THE LOAN GOFUNDME DRIVE

We know many Lithuanians and our beloved friends have missed the Cepelinai, šaltibarščiai and kepta duona, and we have all missed each other while avoiding gatherings during the Covid-19 pandemic.

WE ARE BACK!

This is an opportunity to re-connect with our friends and our community.

The Lithuanian Hall will be open every 2nd weekend of the month.

Our next opening:

Friday, October 9th (5pm-9pm) and Sunday, October 11th (11 am-4pm)

The health and safety of our guests and volunteers remains a top priority. Due to social distancing guidelines mandated by the State of Maryland and the City of Baltimore, we have limited seating availability for our dining area.

Masks are required to be worn at all times -and may be removed while seated at your table.

WE ALSO OFFER CONTACTLESS CURBSIDE PICKUP!

Please call or email us to make a reservation or place your curbside pickup order.

NOVEMBER VOLUNTEER DAY

Books from Baltimore, Maryland, reached the Balzekas Museum on Tuesday. They were brought by the Chairman of the Lithuanian Community, Gintaras Buivys. Having rented a larger car to accommodate all the books donated by Lithuanians, he drove to Chicago, covering almost 700 miles. He said he couldn't stay long - a long journey home was to be completed on the same day. Books, various recordings of music and videos, as well as sheet music and church hymns were collected from Lithuanian homes by Lithuanian Americans in Baltimore. "They said they didn't read those books and didn't want to throw them out. We decided to collect them and donate them. The collection of books began before the pandemic. But large amounts of books were brought after the pandemic. During the quarantine, many tidied up their houses and selected unnecessary items," said Gintaras Buivys. The Balzekas Museum appreciates this huge donation.
